Dear New Family,

On behalf of the Augustinian Academy community, it is truly my pleasure to welcome you to our Augustinian Academy family. We are glad that you have chosen our school to share this journey with your children as they continue their academic and spiritual growth. We hope that you will quickly feel at home and become involved in the activities of our school through the SJVO and your child's classroom program.

At Augustinian Academy, our goal is to provide our students an atmosphere that supplies opportunities to seek knowledge and to encourage a continual wondering, discovering, and becoming. In a Christian context this atmosphere includes the experience of a faith community where the children participate in and share life with others in an environment of Christian love.

Our school is at its best when our parents, faculty and students work together to encourage academic and spiritual achievement. Working together as a team we will move forward in our mission to create a nurturing environment characterized by academic excellence, respect, faith, and community involvement.

Enclosed is a packet of information we hope will ease your transition to our school and answer any questions you may have. Please feel free to contact the school office at any time with any other questions that might arise.

In choosing Augustinian Academy, you have made a very important decision for your child's future. Thank you for allowing us to share with your family a place where, for 125 years, tradition has tied academic excellence with community awareness; where "family" is a word spoken -- and lived -- daily.

We truly look forward to getting to know your family throughout the coming year.

May God bless you,
Sr. Annunciata Collins, S.S.J., principal
